Dear Judge Andrews:

Pursuant to the Court's direction at the March 16, 2012 hearing on the parties' Renewed Joint Motion to Correct Inventorship of the 7,142,736 patent (D.I. 284, "the Motion"), we are filing today my Affidavit of Mailing and the Declaration of William A. Frezza, which describe our efforts to provide notice of the Motion and the Court's February 8, 2012 Order (D.I. 288) to Jayantilal S. Patel, and to confirm that the email address we used for such notice remains valid and a reasonable way of providing notice to Dr. Patel. We are available at the Court's convenience should Your Honor have any questions concerning this matter.

Respectfully,
